

### STUDENT COUNCIL

Thank you to Mrs. Harmony Miller and her crew of helpers who spent hours decorating the gym for our Student Council dance. The atmosphere was really dazzling!

The Student Council will be attending a Leadership Workshop at Lombard Middle School on Friday, November 18. The workshop is designed to help our students develop their leadership skills, interact with other councils and bring back ideas to our home council. With 18 students signed up to attend, we are expecting to have a very productive evening.

### THANK YOU'S

A special thank you to Spring Bay American Legion Post 1115 for generously replacing the American flag in the gymnasium and donating \$75 to boosters!

### SPORTS 'BUZZ'

The 2011 Girls' basketball season is coming to a close with Regionals taking place at the end of November. The 7th grade girls' team currently has a record of 4 - 14, but the prospects for the future are bright. Our young players are gaining lots of experience by playing up on the 7th grade team this year. The 8th grade girls are currently 9 - 9 and are looking to end the season on a high note. This group of 8th graders has had their ups and downs, but is looking to put on a good showing in their Regional.

Good luck to both teams as they finish out their seasons!

The Boys' basketball teams are getting into full gear to start their 2011-12 campaign. Both teams have started the season 3 - 2, including two second place finishes at the Robein Tip-off Tournament. The boys have a favorable schedule ahead of them and are looking forward to entering December on the winning path.

Be sure to check out the schedule at [www.rgschool.com](http://www.rgschool.com) and come support our YJ's!

### CHEERLEADING

The Riverview Cheerleaders are having a wonderful season this year! There are ten returning girls and four new faces on the squad. We are currently working on a routine that we will be performing at a future home game. The cheerleaders wish the 7th and 8th grade boys' basketball teams the best of luck this season!

### SPIRIT WEAR

Riverview Boosters will again be taking orders for spirit wear this month. Please place your orders by December 7th.

\*\*A new basketball shirt design is being offered this time, along with sport headbands, day packs and sequined headbands.
