

## **Mission Statement**

The mission of Riverview Grade School is to prepare all students to become well adjusted, motivated, responsible, and productive citizens. Our mission is to prepare all students to become lifelong learners to enable them to realize their full potential with help from a caring staff, family involvement, and a supportive community.

## **GOING GREEN!**

Riverview Solar Panel output can be viewed at <http://siteapp.fatspaniel.net/siteapp/simpleView.jsf?&view=PV/standard/Simple&eid=2221>.

The 1 kilowatt solar panels were installed from a grant received through the Foundation of Environmental Education, NEED, Commonwealth Edison, and the Illinois Clean Energy Community Foundation.

## **Keep track of your Jr High student's homework**

## **Eve Spellious, Librarian for the Day**

In March, at the carnival, Eve Spellious bid on and won the opportunity to be Librarian for the Day. She came in to the library before each kindergarten class and picked out a book to read to her friends. She was greeted by her classmates as Miss Spellious as they arrived for library time. Then she read Bubble Trouble by Joy N Hulme. She used the barcode scanner to check books in and out. When students brought their books to be checked out, Eve often complimented them on their choice. After the classes left, she helped shelve the books that were recently turned in. Miss Spellious was a wonderful librarian.

## Reporting Absences

If your child will be absent or late, please notify the school office at 822-8550. The Illinois General Assembly passed legislation requiring schools to inform parents when their child is absent from school unless a parent has called the school. We appreciate the parents' cooperation in reporting absences.
